MEMORANDUM TO BE PLACED IN THE FILE OF U.S. PATENT APPLICATION SERIAL NUMBER 10/753,927

Sir:

It has recently been brought to Applicants' attention that applicants of U.S. Application S.N. 10/531,132 (US '132), now published Application US 2006-001 3287 A1 (the applicants of US '132 not being the same Applicants as the present above-identified U.S. Application S.N. 10/753,927 (US '927)), have copied certain claims therein from above-identified US '927. Applicants were aware of published PCT Application WO 2004/036238 A1 (PCT '238) upon which US '132 is based and cited the PCT '927 application to the U.S. Patent and Trademark Office in an Information Disclosure Statement submitted in US '927. Applicants respectfully contend that neither the specification of PCT '238 nor the specification of US '132 support the copied claims.

The following information is presented in the event that a call may be deemed desirable by the Examiner:

JACOB N. ERLICH (617) 854-4000.

Respectfully submitted,
Brent M. Ledvina, et al., Applicants

Dated: FEB. 24, 2006
